

cultural atlas of russia pdf

Atlas Language School is a leading English Language School in Dublin. Providing professional language learning in friendly and dynamic environments.

English Language School Dublin | Atlas Language School

The name Russia is derived from Rus', a medieval state populated mostly by the East Slavs. However, this proper name became more prominent in the later history, and the country typically was called by its inhabitants "Русская Земля" (russkaja zemlja), which can be translated as "Russian Land" or "Land of Rus".

Russia - Wikipedia

The Anti-Atlas Mountains are believed to have originally been formed as part of Alleghenian orogeny. These mountains were formed when Africa and America collided, and were once a chain rivaling today's Himalayas. Today, the remains of this chain can be seen in the Fall Line region in the Eastern United States. Some remnants can also be found in the later formed Appalachians in North America.
