

### **daily life behind the pdf**

Personal life is the course of an individual's life, especially when viewed as the sum of personal choices contributing to one's personal identity.. In ancient past, most people's time was limited by the need to meet necessities such as food and shelter and there was not much leisure time. People identified with their social role in their community, and engaged in jobs based on necessity rather ...

Life hack (or life hacking) refers to any trick, shortcut, skill, or novelty method that increases productivity and efficiency, in all walks of life. The term was primarily used by computer experts who suffer from information overload or those with a playful curiosity in the ways they can accelerate their workflow in ways other than programming.. The terms hack, hacking, and hacker have a long ...
