The Battle of Jenin took place in the Jenin refugee camp in the West Bank in April 11, 2002. Israel Defense Forces (IDF) entered the camp, and other areas under the administration of the Palestinian Authority, during the Second Intifada, as part of Operation Defensive Shield. The Jenin camp was targeted after Israel reported that it had "served as a launch site for numerous terrorist ...

Human shield is a military and political term describing the deliberate placement of non-combatants in or around combat targets to deter the enemy from attacking these combat targets. It may also refer to the use of persons to literally shield combatants during attacks, by forcing them to march in front of the combatants.. Using this tactic is considered a war crime by nations that are parties ...
