At first the service quality, customers' satisfaction and their loyalty are identified as the main factors and then it investigates the success factors in

## **The determination of the critical success factors (CSFs**

department or organization. Critical success factors are the few key areas where 'things must go right' for the business to flourish and for the manager's goals to be attained." (Bullen & Rockart, 1981, p. 7). Rockart's concept of critical success factors is clearly inspired by the issue of optimum match between environmental conditions and business characteristics, i.e., the core of business strategy.
