Volleyball is a team sport in which two teams of six players are separated by a net. Each team tries to score points by grounding a ball on the other team's court under organized rules. It has been a part of the official program of the Summer Olympic Games since 1964.. The complete rules are extensive, but simply, play proceeds as follows: a player on one of the teams begins a 'rally' by ...

13 Telling Cards (Caruso, 1993), are not included in this review. The Adoption Story Cards aims to be a flexible method for use in therapy, without rules pertaining to administration and scoring as required by a test. The Projective Story Telling Cards was designed to facilitate an interview with the child and the manual suggests that the practitioner poses a series of question with each
