Analogies A word analogy draws a relationship between two words by comparing them to two other words. When you write, it is important to understand how words are related. A word analogy shows how word pairs are related. Once you determine how the two words are related, you find the same relationship among the pairs in the

I am working (for reasons of my own) towards a comprehensive list of plausible technothriller plots from 2010 where the MacGuffin is named Satoshi Nakamoto.. Before you go off prematurely: a MacGuffin in fiction is ... "a plot device that the protagonist pursues, often with little or no narrative explanation".
