Common Sense Education provides educators and students with the resources they need to harness the power of technology for learning and life. Find a free K-12 Digital Citizenship curriculum, reviews of popular EdTech apps, and resources for protecting student privacy.

### **K-12 Digital Citizenship Curriculum Scope & Sequence**

Digital citizens think critically about what they see online and learn to make their own smart choices online and in life. That means understanding the benefits and risks of sharing information, knowing the difference between a credible news source and a sponsored ad, and balancing screen time with other activities.
