A toolbox for analysing political texts. Discourse analysis is a useful tool for studying the political meanings that inform written and spoken text. In other posts, I have provided a quick video introduction to the topic, and have discussed the ideas behind discourse theory, the main questions that students and researchers will likely ask as they set up their discourse analysis project, and ...

Modern meaning. In modern grammar, a particle is a function word that must be associated with another word or phrase to impart meaning, i.e., does not have its own lexical definition. According to this definition, particles are a separate part of speech and are distinct from other classes of function words, such as articles, prepositions, conjunctions and adverbs.

1. Biography. Relatively little is known for certain about Machiavelli's early life in comparison with many important figures of the Italian Renaissance (the following section draws on Capponi 2010 and Vivanti 2013) He was born 3 May 1469 in Florence and at a young age became a pupil of a renowned Latin teacher, Paolo da Ronciglione.
