

### **education in ancient india pdf**

History. India is believed to have had a functioning system of higher education as early as 1000 B.C. Unlike present day universities, these ancient learning centers were primarily concerned with dispersing Vedic education. The modern Indian education system finds its roots in colonial legacy. The British Government used the university system as a tool of cultural colonization.

Ayurvedic medicine (also called Ayurveda) is one of the world's oldest medical systems. It originated in India more than 3,000 years ago and remains one of the country's traditional health care systems. Its concepts about health and disease promote the use of herbal compounds, special diets, and other unique health practices.
