Dimension India is a world-class CAD services provider with a global clientele and over 15 years™ of experience with CAD outsourcing services. We have successfully completed more than 500 projects for our clientele spread across 30 countries across continents.

### **CAD Drafting Services India,AutoCAD Drafting Services**

Computer-aided design (CAD) is the use of computer systems (or workstations) to aid in the creation, modification, analysis, or of a design. CAD software is used to increase the productivity of the designer, improve the quality of design, improve communications through documentation, and to create a database for manufacturing. CAD output is often in the form of electronic files for print ...

The Engineering area contains most of the reference material needed to design and construct a Capital Program project. Included are topics about Policy, Procedures, Specifications and Design Standards (Manuals, Guidelines, and Computer Aided Design and Drafting drawings).

### **Engineering - New Jersey**

Mechanical, electrical and plumbing (MEP) refers to these aspects of building design and construction. In commercial buildings these aspects are often designed by an engineering firm specializing in MEP. MEP design is important for design decision-making, accurate documentation, performance and cost-estimation, construction planning, managing and operating the resulting facility.
