

elementary and middle school pdf

Elementary school is a school for students in their first school years, where they get primary education before they enter secondary education. The exact ages vary by country. In the United States, elementary schools usually have 6 grades with pupils aged between 6 and 12 years old, but the age can be up to 10 or 14 years old as well. In Japan, the age of pupils in elementary school ranges from ...

Elementary school - Wikipedia

An elementary school is the main point of delivery of primary education in the United States, for children between the ages of 4 to 11 and coming between pre-kindergarten and secondary education. In 2001, there were 92,858 elementary schools (68,173 public, 24,685 private) in the United States, a figure which includes all schools that teach students from grade one through grade eight.
